

AGEWELL | AGE-WELL Conference Digest

Benefiting Canada; Older Adults, Industry, Policy

**Fairmont Winnipeg
2 Lombard Pl, Winnipeg, MB R3B 0Y3**

Join us in October in Winnipeg, MB for our third Annual Conference! AGE-WELL2017 will be held as a pre-conference event to the Canadian Association on Gerontology Annual Scientific and Educational Meeting.

AGE-WELL2017 will showcase a multi-disciplinary program of research and innovation from across the AGE-WELL network and provide a forum for networking and collaboration among AGE-WELL stakeholders. Presentations, discussions, networking and demonstration sessions are designed to maximize knowledge exchange. AGE-WELL2017 is open to the public and aims to provide something for everyone interested in technology and aging.

This year's conference will feature 4 new sessions:

HQP Poster Session

Formerly Minute Madness, this year's conference will move towards dedicated poster sessions to allow our increased HQP contingent more time to showcase their research.

CC Alley

Got a question? Looking for resources? 'CC Alley' will provide an opportunity for projects and workpackages to network with AGE-WELL's 4 Crosscutting Activity Theme Teams; Knowledge Mobilization, Commercialization and Technology Transfer, Transdisciplinary Working, Training and Mentorship.

WP Lunch 'n' Learn

Lunch 'n' Learn sessions will be offered for the AGE-WELL Workpackages to run workshops. These 1 or 2 hour workshops will be offered on a sign up basis to attendees during the registration process, and offered on both conference days from 12PM – 2PM.

Scientific Talks

As we move into Y4 & Y5, the AGE-WELL 2017 conference will focus on the state of the science in the network and how it is benefiting Canadian seniors. All AGE-WELL projects [CRP, Catalyst and SIP] and crosscutting activities will be given an opportunity to present a science talk as part of the main conference.

Applications for these new sessions of the conference will be available via forum in early June 2017.

Program Highlights (Central Time)

Tuesday, October 17, 2017

6PM | *AGE-WELL Drinks & Demos* - An evening of hands on demonstrations of exciting, innovative technologies being developed by the AGE-WELL Network. This reception provides great networking opportunities for our researchers, committee members, partners and stakeholders.

Wednesday, October 18, 2017

9AM - 5PM *Main Conference Session*

4PM | *National Ideathon Competition* - AGE-WELL has partnered with HACKING HEALTH to host a series of 4 local ideathons where diverse stakeholders harness their collective knowledge and creativity to brainstorm innovative solutions to pressing challenges. A finalist will be chosen from each of the four locations. The national ideathon will culminate in a finale to be held at the conference with prizes totaling \$75,000 in cash and in-kind services.
