## WELCOME TO THE 2016 ASRP RESEARCH COMPETITION

Key Dates for your calendar:	
Launch of Competition	Friday, September 4, 2015, 9a.m. EST
Application Deadline	Friday, November 6, 2015, 11:59 p.m. EST
Announcement of Results	April 2016
Commencement of Funding	Tuesday, July 1, 2015

Type of Funding	Amount	Duration	Eligibility
Doctoral	22,000/year	3 years	Within first 18 months of PhD program
Post Doctoral	\$41,500/year (PhD) \$51,500/year (MD)	2 years	Within 18 months of obtaining PhD (extension may be given to MDs).
New Investigator Grant	\$60,000/year (QoL) \$75,000/year (Biomedical)	3 years	Within the first 2 years of initial faculty position
Career Change Grant	\$60,000/year (QoL) \$75,000/year (Biomedical)	3 years	Within the first 2 years of initial faculty position
Research Grant	\$60,000/year (QoL) \$75,000/year (Biomedical)	2 years	Must hold a faculty position with a Canadian university or affiliated institution

Partnerships	Types of Funding	Amount	Duration	Eligibility
<b>(New) ASRP/AGE-WELL (RFA)</b>	Post-Doctoral Fellowship	\$46,500/yr (PhD) or \$56,500/yr (MD)	1 or 2 years	Must be within the first 18 of obtaining their PhD. The candidate's supervisor must be working within an existing AGE-WELL Work Package or Crosscutting activity and their project must align with the research program of AGE-WELL.
<b>ASRP/Brain Canada (RFA)</b>	New Investigator Grant	\$60,000/year (Quality of Life) \$75,000/year (Biomedical)	3 years	Applicants must be within the first two years of their first faculty position
	Career Change Grant	\$60,000/year (Quality of Life) \$75,000/year (Biomedical)	3 years	Established investigators who hold a faculty position and are interested in changing their research focus to dementia.
<b>ASRP/Firefly Spark Award (RFA)</b>	Post-Doctoral Fellowship	\$50,000/year (PhDs) \$51,500/year (MDs)	2 years	Applicants must be based in a university or affiliated institution in Canada
<b>ASRP/CNF/CCNA (RFA)</b>	Doctoral Award for a Nursing Student	\$22,000/year	3 years	The candidate's supervisor must be working within a CCNA associated team, and the project must be a component of that team's research plan.

<b>ASRP/CCNA (RFA)</b>	Training Awards	(Masters) \$20,000/year (Doctoral) \$22,000/year (Postdoctoral) \$41,500/year (PhD) \$51,500/year (MD)	1-2 years 3 years 2 years	The candidate's supervisor must be working within a CCNA associated team, platform, or cross-cutting program and their project must align with the research plan of the CCNA.	
	ASRP/Fonds De La Recherche En Santé Du Québec (FRSQ) (RFA)	Doctoral Award	\$22,000/year	3 years	Applicants must be based in a university or affiliated institution in Quebec.
		Post-Doctoral Fellowship	\$41,500/year (PhD) \$51,500/year (MD)	2 years	
ASRP/New Brunswick Health Research Foundation (RFA)	Doctoral Award	\$22,000/year	3 years	Applicants must be based in a university or affiliated institution in New Brunswick	
	Postdoctoral Fellowship	\$41,500/year (PhD) \$51,500/year (MD)	2 years		
	Research Grant	\$60,000/year (Quality of Life) \$75,000/year (Biomedical)	2 years		
ASRP/ Pacific Alzheimer Research Foundation (PARF) Grant (RFA)	Research Grant	\$120,000/year (Quality of Life) \$150,000/year (Biomedical)	2 years	Principal investigators must be based in a university or affiliated institution in British Columbia	
ASRP/Pfizer Postdoctoral Fellowship (RFA)	Postdoctoral Fellowship	\$50,000/year	3 years	Must be within the first 18 months of completed an MD, Pharm D or PhD and is willing to work with a mentor in the Pfizer Neuroscience lab in Cambridge, Massachusetts for up to 2 years.	
(New) ASRP/TVN (RFA)	Doctoral Award	\$35,000/year	1 year	Must be within the first 18 months of their PhD program.	
	Research Grant	\$150,000/year	1 year	Principal Investigators must hold a faculty position from a university or affiliated institution within Canada and meet eligibility criteria outlined in the ASRP Application Guidelines.
