State your value proposition in two sentences:

Application Form

National Impact Challenge: Bold Innovations for Living

Tell us about your program, service, or project and what makes it novel. What stage is it in now and where will it be in one year (i.e., short-term product roadmap)? How have you/will you protect your IP? (200 words)

Tell us about the need for this innovation. What gap are you addressing? Who is the market? What difference is it making and/or will it make in the lives of older Canadians and/or their care partners? (Max 200 words)

Who are your competitors and why will your solution succeed in this space? (100 words)

Application Form

National Impact Challenge: Bold Innovations for Living

What is the implementation plan for your program/service? Once in the market, what is the anticipated economic and social impact of your solution? (200 words)

Tell us about your team. What are your strengths? How do you aim to address any gaps in the future? (150 words)

Application Form

National Impact Challenge: Bold Innovations for Living

How have you engaged older adults and/or caregivers in the development of your program or service? If your program is coming in from a different segment, please speak to how you will ensure relevance and adoption for this target demographic. (150 words)

What grants, awards and investment have you secured to date and how have you leveraged these to progress? How would you use the National Impact Challenge Award? (150 words)

Create a two-minute video that presents your program/service and provide the URL below:

All completed applications can be submitted to startups@agewell-nce.ca

Please ensure you include the link to your pitch video in the body of this email.
