**JOB TITLE:** Canada Research Chair (CRC) Tier II in Applied Physiology of Healthy and Active Aging  
**LOCATION:** Concordia University, Montreal  
**APPLICATION DEADLINE:** December 15, 2023  
**ADVERTISED UNTIL:** Position is filled

**POSITION DESCRIPTION:**
The Department of Health, Kinesiology, & Applied Physiology in the Faculty of Arts and Science at Concordia University invites applications for a Canada Research Chair (CRC) Tier II in Applied Physiology of Healthy and Active Aging, a research-intensive tenure-track faculty position. We are seeking candidates who will conduct cutting-edge research in areas of specialization that can include (but are not limited to) the processes whereby various physical activity programs, alone or combined with other lifestyle interventions (nutrition, sleep, etc.), can induce health-enhancing effects on aging cardiovascular, respiratory, neuromuscular, musculoskeletal and/or bioenergetic systems. They could, for example, employ multimodal approaches (physiological and behavioral assessments, imaging, electrophysiology, genetics, biological samples, etc.) to identify markers of healthy aging in active versus inactive seniors.

**Qualifications and assets**
Candidates must have a PhD in a field related to aging research or a related discipline and have relevant postdoctoral training with a focus on aging. The successful candidate will provide evidence of an outstanding record of research and peer-reviewed publications in high impact journals, a demonstrated ability to secure external funding and an innovative research program in the physiology of aging and health, taking into full consideration career stage, career breaks and special circumstances. The successful candidate will have the potential to further develop existing and new collaborative relationships with government and community organizations, with other members of the Faculty of Arts and Science, as well as nationally and internationally, to achieve international recognition as required by the CRC Tier II program, to attract high quality research students and trainees, and to contribute to excellent teaching and mentoring at both the undergraduate and graduate levels. Concordia University is an English-language institution of higher learning at which the primary language of instruction and research is English. Since this position supports academic functions of the university, proficiency in English is required. Working knowledge of French, including reading and grading student work in French, is an asset.

Candidates eligible for Tier II chair positions must be excellent emerging scholars within 10 years of their highest degree at the time of nomination (exclusive of career interruptions). Potential Tier II candidates who are more than 10 years from their highest degree should take note that certain career interruptions may still make them eligible for nomination.

**How to Apply**
Application packages should be addressed to:

Dr. Nancy St-Onge, Ph.D.  
Associate Professor and Acting Chair  
Department of Health, Kinesiology, and Applied Physiology.
Applications must include the following:

• Cover letter clearly identifying the title and position code (23_C_HKAP_M);
• Detailed curriculum vitae;
• Copies of no more than three representative publications;
• Statement of research/achievements;
• Statement of teaching philosophy/interests and evidence of teaching effectiveness (teaching evaluations if applicable); and
• Three letters of support.

Applications should be submitted electronically to liz.fradette@concordia.ca, with the subject heading CRC Application, by December 15, 2023, but will continue to be reviewed until the position is filled. Only short-listed candidates will be notified. The appointment is expected to commence in August 2024.

Adaptive Measures
Applicants who anticipate requiring adaptive measures throughout any stage of the recruitment process may contact, in confidence, Anna Barrafato, Accessibility Change Lead: anna.barrafato@concordia.ca or by phone at 514-848-2424 extension 3511.

Territorial acknowledgement
Concordia University is located on unceded Indigenous lands. The Kanien’kehá:ka Nation is recognized as the custodians of the lands and waters on which we gather today. Tiohtiá:ke/Montreal is historically known as a gathering place for many First Nations. Today, it is home to a diverse population of Indigenous and other peoples. We respect the continued connections with the past, present, and future in our ongoing relationships with Indigenous and other peoples within the Montreal community.

Employment Equity
Concordia University is strongly committed to employment equity within its community, and to recruiting a diverse faculty and staff. The University encourages applications from all qualified candidates, including women, members of visible minorities, Indigenous persons, members of sexual minorities, persons with disabilities, and others who may contribute to diversification; candidates are invited to self-identify in their application.

Immigration Status
All qualified candidates are encouraged to apply; however, Canadians and Permanent Residents will be given priority. To comply with the Government of Canada’s reporting requirements, the University is obliged to gather information about applicants’ status as either Permanent Residents of Canada or Canadian citizens. While applicants need not identify their country of origin or current citizenship, all applicants must include one of the following statements:

Yes, I am a citizen or permanent resident of Canada
or
No, I am not a citizen or permanent resident of Canada
